

THINGS TO KNOW ABOUT TEACHING CHILDREN'S SUNDAY SCHOOL

Choose the age level you want to teach:

- **Preschool:** 3 year olds, 4 year olds (Education Building, Downstairs)
- **Early Elementary:** Kindergarten, 1st Grade, 2nd Grade, 3rd Grade, 4th Grade (Education Building, Upstairs)
- **Late Elementary (SWIFT):** combined 5th and 6th Grades (Christian Life Center, Upstairs)

Commit to teach one Sunday a month (1st Sunday, 2nd Sunday, 3rd, 4th)

Teach your chosen Sunday from August 8, 2021 – June 12, 2022

To comply with our Safe Sanctuaries Policy, we need two adults in each classroom and all teachers must have a current background check on file in the church office and a signed Safe Sanctuaries agreement.

Each week, teachers will receive a reminder that it is their Sunday to teach. The lesson title and scripture will be included. Upon arrival in the classroom at 9:35am, teachers will find everything needed for the lesson. An arrival activity will be on the tables. The learning pamphlets will be on the counter along with the Leader's Guide marked with what activities to do. All supplies and instructions for the craft will be set on a tray along with a sample. Teachers who would like to familiarize themselves with the lesson prior to their arrival on Sunday can contact Olivia Estes (see below) to get a copy of the lesson leader guide.

Children are in class from 9:45am-10:40am. Teachers are to stay until all children in the class have been picked up by a parent/guardian.

If teachers know in advance that they will miss a Sunday, they can first contact others teachers for the class to ask about swapping Sundays. If that doesn't work, teachers will use the provided sub list to find someone. Children's Ministries staff will always be available to help as needed.

* If you find on a Sunday morning that you are unable to teach, call or text Jenna Hood or Olivia Estes (see below) immediately so arrangements can be made.
